

SECURITY CLEARANCE CERTIFICATE FOR WEB APPLICATION

Issuing Date: 02nd July 2026

With reference to the above, Net Access India Limited has conducted a Web Application Security Assessment, as requested by **Indian Institute of Corporate Affairs**. The security assessment was conducted by **Net Access India Limited**. All identified vulnerabilities were successfully remediated and subsequently validated during the re-assessment.

Our evaluation is valid only for the period during which the assessment was conducted and is based on the information and website content provided at the time of the audit. Any conclusions drawn from our findings for future periods or application versions are subject to change due to modifications made to the application or system, or the failure to implement necessary updates when required.

Details of the Security Assessment:
