

Brief Report

Centre for e-Governance has organised a 5 day training programme on ICT for In-service ICLS officers (Junior Administrator Grade) from Jan. 22 - 29, 2018 at IICA. 17 officers attended the programme. The programme is successfully concluded. The five days training programme was conducted on "IT Fundamentals and Microsoft Office Tools". The programme was concluded with the vote of thanks by Head, Centre for e-Governance. The overall rating of the training programme was excellent as per the feedback collected by ICLS Academy. The training programme was very much appreciated by the participants and they have requested to conduct the similar training programmes in their regional offices also.
