

## Brief Report

### Five Day Residential Training Programme on Big Data & Analytics

A five-day residential training programme on Big Data & Analytics for NIC Officials was organised by Centre for e-Governance from February 27 to March 3, 2017 at IICA campus, Manesar. The workshop was attended by 24 NIC officials from all over India.

The programme was commenced with the welcome address by Shri Ram Sahai, Head, Centre for e-Governance, IICA; Key note address by Shri H P Sharma, Deputy DG, NIC and Dr. V S Rana, Technical Director, NIC.

Shri Navnit K Belur, Instructor for Big Data & Analytics, Mr. Manish Gupta & Prashant Dutta for Tableau took the sessions. The workshop is moderated and coordinated by Shri Ram Sahai, Head, e-Governance.

The major topics covered during the session are Cloudera Operating System, R Studio, R, Python, Anaconda, Hadoop and Tableau.

On the end of the each day, objective type of questions are provided to each participant on the subject covered. On the fifth day i.e. last day of the training programme, participants received their grades which are included in their certificates.

The training programme received the active contribution from the participants and as per the feedback received from them, the ideas was greatly appreciated and has gone towards making this programme a great success. The average feedback rating from the participants was 4.5 out of 5 and we are looking forward to cover all the loopholes as per the participants' feedback and convert the ratings 5 out of 5.

The programme ended with the Valedictory address by Shri H P Sharma, DDG, NIC, Shri Anil Saxena, DG, PR Railway & Vote of Thanks by Shri Ram Sahai.
