

Program Name: IICA-MCA Training Program on “Corporate Intelligence” for the Officers of MCA and its attached offices.

Program Date: 30 October - 01 November 2019

Venue: IIM, Calcutta.

No. of participants: 20

Participant Profile: Officers of MCA and its attached offices.

PROGRAM OUTLINE:

The Indian Institute of Corporate Affairs (IICA) in association with the Ministry of Corporate Affairs (MCA) concluded a three-day training programme **for the Officers of MCA and its attached offices** on 30th October – 1st November 2019 in IIM, Calcutta.

The programme organized by the IICA through its Centre for MSME & IP&CC witnessed engaged participation from 20 Govt. **Officers** (Chief Controller of Accounts, Registrar of Companies, Addl. Director, Joint Director, Officer Liquidator, Assistant Director to Deputy Director, Assistant Manager to Deputy Manager) representing major Organizations / Offices under Ministry of Corporate Affairs. This capacity building initiative was organized with the objective of helping participants to understand Corporate Intelligence context, analyze corporate information for an effective decision making and apply the corporate intelligence in a practical corporate context.

In an increasingly dynamic environment, Professionals working with various offices of MCA need to be well-informed about the latest management thinking in relevant area to re-orient their mind-set to become more good and effective visioning, planning and persuasive for their organizations. By keeping this in view, IICA in collaboration with IIM, Calcutta designed this three days training programme/ workshop with the purpose to provide a tremendous learning opportunity to the participants and help them learn latest trends in Information Technology and Systems especially Corporate Intelligence, Data Analysis, Data Analytic thinking, Data Science, Business Technology and Innovation etc.

This program helped participants learn new management concept, explore new perspectives and master management skills by providing opportunity for them to interact among themselves and also with faculty members, about action points that enhance organizational effectiveness and drive superior results. Key topics covered are as follows:

- Corporate Applications of Machine Learning, Actionable Insights through Big Data Analytics, Information Forensics, Emerging Technology for Corporate Intelligence | Prof. Indrani Bose, IIM Calcutta.
- Financial Statement Analysis: Analyzing Financial Statement, Financial Statement Analysis: A Case Study, Sentiment Analysis: Applications in Finance, Sentiment Analysis : Generating Early Warning Signals, How to Detect Earning Management | Prof. Ashok Banerjee, IIM Calcutta.

Program was Residential and conducted at Indian Institute of Management, Calcutta. Chief Controller of Accounts, Registrar of Companies, Addl. Director, Joint Director, Assistant Director to Deputy Director, Assistant Manager to Deputy Manager & Officer Liquidator from CCI, IBBI, SFIO, IICA, Registrar of Companies, Office of Official Liquidator, Office of Chief Controller of Accounts, Office of Regional Director and Office of Director General of Corporate Affairs and e-Governance Cell and Cost Audit Branch, MCA attended the program.

The pedagogy of the program was based on class room sessions, experiential learning, case studies and evidence based learning for helping those seeking answers to the challenging questions and aspects.

PROGRAM FLOW:

The three-day capacity building programme was started with opening remarks by Mr. Rajesh Batra, Head Centre for MSME/ IP&CC and CDM Project coordinator, IICA.

Characterized by interactive sessions, presentations and case studies, the programme was facilitated by Prof. Indranil Bose and Prof. Ashok Banerjee of IIM, Calcutta. The programme was concluded with closing session & remarks with certification ceremony presided by **Mr. Rajesh Batra**, Head Centre for MSME/ IP&CC and CDM Project Coordinator, IICA
