

National Capacity Building Programme (8th edition) on “Procurement (Procedures based on General Financial Rules (GFR), Tenders, Bids) and Contract Management : Challenges in Implementation”

24-27 September, 2019 at
Hotel ibis Hinjewadi - Pune

BENEFITS FOR PARTICIPATING ORGANIZATIONS

- The program focuses on how your organization can minimize its exposure to risk, reduce costs and the potential for disputes by discussing the key aspects of understanding, drafting and negotiating contracts of all types—works, goods and services.
- The program features how to monitor & manage performance failures and provides tools, tips & techniques on effective resolution of disputes to minimize costs and reputational risk exposure to your organization
- Deliver Capacity building on Contracting Procedures and carrying out Procurement reviews and audit.
- Ensure maximum efficiency and economy as well as to maintain competitiveness and transparency through contract administration.
- Evaluate Supplier Performance, your requirements and the Market price and competition for Contract termination/renewal decision.
- Protect your company from undue price increases.
- Improve risk management.
- Map and improve processes.
- Facilitating pre & post contract management.
