

Virtual (Online) Capacity Building Programme (17th Edition): “Procurement (Policy & Procedures based on GFR, GeM & E-Procurement) and Contract Management for Good Governance: Challenges in Implementation”

8-20 November, 2021 (11 Webinars)

Benefits

- The program will provide insights about latest developments in Government purchase policies & practices and help to understand various aspects of e-procurement & its underline benefits.
- The program helps to align the procurement strategies with management expectations and to identify actionable points, which can have an immediate effect on improving the performance of the organization in the short term & are consistent with strategic imperatives in the long term.
- The program will help the participants to understand intricacies of procurement in PSUs, Railways, Defence and other Central & State Govt. Departments.
- The program focuses on how your organization can minimize its exposure to risk, reduce costs and the potential for disputes by discussing the key aspects of understanding, drafting and negotiating contracts of all types—works, goods and services.
- The program features how to monitor & manage performance failures and provides tools, tips & techniques on effective resolution of disputes to minimize costs and reputational risk exposure to your organization.
- Ensure maximum efficiency and economy as well as to maintain competitiveness and transparency through contract administration.
