

Power Talk: Global Economics Landscape and Indian Corporate Governance

Centre for Independent Directors, IICA organized **Power Talk: Global Economics Landscape and Indian Corporate Governance** a complementary event for the respected members of Independent Director's Databank on Wednesday 27th January, 2021.

The event was convened to share knowledge on emerging changes in global economics and its reflection to India. Major economies around the world are facing many challenges posed by COVID-19 pandemic and environmental issues. Sustainable and responsible business operations have become forced necessity and organizations have to take lead. Indian corporate governance framework also needs to be formalized to absorb such fundamental changes.

The Program commenced on 27th January 2021 at 04:00 PM with the theme address of Dr. Niraj Gupta, Head, School of Corporate Governance and Public Policy and Nodal officer, Centre for Independent Director, IICA. He briefed the participants about Principal speaker and the latest global economic trends and readiness of Indian Corporate governance framework for alignment with new trends.

Dr. Anantha Nageswaran, member of Prime Minister's Economic Advisory Council, shared his expertise on various issues relating to global economy and emerging trends. How this pandemic has affected income and wealth. What steps major economies of Europe, Asia and USA are taking to revive derail economy and what India can learn & do to catch the pace of revival along with global trends and to take benefits of post-covid world order. His also emphasised on the current framework of Corporate Governance in India and what changes can be expected to deal with new developments and to achieve rapid economic growth in post-pandemic world.

Program concluded with the valedictory address of remarks of Dr. Niraj Gupta, Head, SoCGPP and Nodal officer, Centre for Independent Director, IICA coordinated the event and ensured successful delivery of the program.
