through Intensive Webinar series on digital platform  
under CDM Project

Started on 6th July and ends on 15th July, 2020  
(2 Weeks-5 Webinars)

# Participants Review

Very useful classes about leadership. Lot of things learnt.

The delivery of the session was energetic and engaging with use of video based techniques and seeking personal views on the topics.

VERY USEFUL AND EXCELLENT STUDY MATERIAL AND PRESENTATION , DHARMVIR KUMAAR

CASE STUDY PRESENTATION WAS REALLY GOOD - Rajesh Batra

Very interactive session.

Material is really useful and all webinars are useful  
Channakeshava

explanations for the new concepts were good...structured and interesting.

Presentation contained an inculcative approach to team transformation and also touched the topic of resilience. Nice work. Thanks a lot sir.Sanskriti, this side.

The speech of faculty is very useful. Study material is also very helpful. Lakshmi Kanta Dhatra

It was nice and some good practical points are key take away

very useful,educative,& increase level of confidence tara chand kumawat

The online training programme with five webinars conducted on 6th, 8th, 10th, 13 and 15th July 2020 on "Leadership, Team Building & Communication Skills" is really useful with practical cases and enriched my knowledge. Thank u Rajan Sir, Harsh, RBsir

Excellent interactive useful presentation. Few study materials I have gone through found very useful n motivational

The sessions, support readings, are well thought. Very well presented. Would helped with more examples of bureaucratic setup. Virtual training had its constraints though. Anannya

Extraordinary presentation, worth spending time, worth and work life transformation learning. Thank you. Prem Prakash

Very nice webinar, where many new aspects were shared. Imran

The course material was good. The training was excellent. However, since I had to manage the office at the same time, could not full attention in the class.

Participants Learning Insight  
- What would I Implement

aspects of situational leadership-sabari raj

Psychological safety measures

I WOULD LIKE TO IMPLEMENT ADAPATIVE LEADERSHIP SKILL

I learned many things in this webinars but some thing new is emotional intelligence I would like to useChannakeshava

Balcony Seat

Power dressing and situation addressing leader.Dr. Navdeep

Working upon aspects of team effectiveness-Archana

encourage team members for giving maximum output-tara chand kumawat

I implement change in my self first by not being more Cautious, Mischievous (derailers). Then I will assess the teams, reshape them and accelerate performance by aligning it with office objectives. Pola Raghunath

I would like to implement the chart S1, S2, S3 and S4 in situational leadership.

implementation of adaptive leadership-Dip Narayan Chowdhury

**Thank you**
