Batch 18

Course Commencing - Nov 2025

Virtual on IICA Blackboard LMS

Session Timings: 4:00 PM to 5:30 PM
Days: Thursday & Friday

Indian Institute of Corporate Affairs

The Indian Institute of Corporate Affairs (IICA) has been established by the Ministry of Corporate Affairs (MCA), Government of India to act as a think-tank and a center of excellence to support the growth of the corporate sector in India through an integrated and multi-disciplinary approach.

IICA fulfills the training needs of officers of various administrative cadres including the Indian Corporate Law Service (ICLS) and officials working across various ministries in government of India. As an MCA think-tank, IICA continues to successfully cater to the needs of large number of CPSE's and private sector companies including MNCs.

The institute has experience training professionals ranging from Board Directors to middle and operational level executives. The expertise of the institute continues to be utilized by corporate India on various issues related to Corporate Affairs and Governance, E-Governance, Corporate Finance, Management, Strategy and leadership among others.

School of Corporate Governance & Public Policy

Corporate Governance is now an integral part of corporations, and with focus shifting from regulation to delivery, it is essential to promote responsible behaviour for shared value creation in society. The School of Corporate Governance & Public Policy has been set up with the vision to provide Knowledge and expertise to meet the Challenges of inclusive and sustainable corporate operation and growth.

Learning Objectives

Numerous studies have concluded that well governed organizations perform better in commercial terms and are less likely to suffer damage to reputation and profits. It is generally agreed that by adopting Corporate Governance best practices one can contribute towards the attainment of the following objectives with the respective companies' one is associated with:

- Improve access to external financing
- Lower the cost of capital
- Improve operational performance
- Improve share performance
- Reduce the risk of corporate crises

Course Structure & Modules

Corporate Governance interplays with three key aspects to learn and practice. The regulation requires for a timely and accurate compliance whereas the organization requires setting up of the governance based systems and frameworks for efficient functioning to strengthen the performance indicators. The course modules have been designed to cater to the three requirements by blending the research-based learning's with the insights and experiences of the industry experts. The overarching cohorts of the modules are as under:

- Level I Compliance Based Learning
- Level II Governance Based Learning
- Level III Performance Based Learning

Program Modules with specialized agencies the experts would be drawn for imparting the knowledge with specialized agencies the expert's would be drawn for imparting the knowledge
