Certified ESG Professional: Impact Leader

Businesses are moving beyond the myopic objective of financial gains and are putting purpose above profit. The organizations that are embracing the ESG principles are witnessing the positive impacts, in terms of increased efficiency of managing risks and opportunities, creating value, exploring new markets and strengthening the stakeholders' faith in their businesses. Businesses have inadvertently come to realize that what is good for the society & the environment is also good for the sustainability and growth of their businesses.

In light of these recent developments, Indian Institute of Corporate Affairs has taken the initiative to launch a six-month online course, “**Certified ESG Professional: Impact Leader**”. The courses will benefit the practitioners to demonstrate strong ESG credentials in their businesses as not only the investors are becoming more active on ESG matters, customers, employees and even suppliers are increasingly focusing on how the Board of the company translates ESG expectation into concrete strategies.
