PROGRAM OVERVIEW

The demand for dynamic, visionary & futuristic board members has increased substantially in India and so has the need for proper training to equip them to cope up with the rigorous competition. A Board which does not perform well and works with a lackadaisical attitude can translate into a liability for the company. Untrained directors expose the company to perils which may lead to criminal prosecutions, steep fines along with loss of reputation of such directors themselves and respective companies. In realization of this, IICA Familiarization Program for Independent Directors is designed keeping in mind the unique training requirements and challenges of newly appointed

Certification in accordance with the requirement of Regulation 25 (7) of the SEBI (LODR) 2015 and schedule IV of the Companies Act 2013
