Indian Institute of Corporate Affairs, a premier institution, established as a think-tank of the Ministry of Corporate Affairs, Government of India, provides the necessary support through policy advocacy, research and capacity-building programmes to Government, Corporates, and other relevant stakeholders.

School of Business Environment (SoBE), a school within IICA, has the mandate to work in the domains of Corporate Social Responsibility (CSR), Environmental-Social-Governance (ESG) and Business and Human Rights (BHR) to strengthen the Responsible Business ecosystem by providing strategic and customised solutions to the specific needs of the Corporates.

Towards the objective of keeping abreast of the latest developments in the world, the School of Business Environment (SoBE) of IICA has been working to promote the adaptation of responsible conduct and effective CSR governance in businesses. The School has contributed to the development of various key policies and guidelines, like National Guidelines for Responsible Business Conduct (NGRBC), the Zeroth Draft of the National Action Plan on Business and Human Rights, Technical Inputs to the High-Level Committee on Corporate Social Responsibility, etc.

WORKSHOP
SoBE, IICA is proud to present a series of workshops aimed at the handholding of the Business Responsibility and Sustainability Reporting (BRSR) framework. Engaging and informative sessions in a daylong workshop will provide a unique opportunity for ESG/Sustainability Leaders and Professionals to learn share insights and collaborate on strategies that drive positive sustainability.
