

CAPACITY BUILDING PROGRAM ON CORPORATE SOCIAL RESPONSIBILITY

NFCSR under IICA successfully conducted a Capacity Building Programme on Corporate Social Responsibility for implementing partners of GAIL on 8th March 2019 at GTI (GAIL Training Institute), Noida. The programme was designed to provide an absolute understanding of Corporate Social Responsibility, policy understanding and CSR Process Execution. The program brought together 26 experienced participants who have been in the development sector and contributed to execution of CSR projects.

Five engaging and interactive sessions were covered under the program that included:

1. CSR Laws and Regulation
2. Developing CSR Policy:
3. Checklist for CSR Execution
4. Effective implementation and documentation
5. Monitoring and Evaluation

A group discussion was also conducted wherein the participants were divided into three groups and were involved in a case study based learning of programme execution processes .

National Foundation for Corporate Social Responsibility

nfcsr@iica.in , 0124-2640038

The participants developed a comprehensive understanding of their role in implementation of CSR projects vis-à-vis CSR systems, processes, policy and guidelines applicable at GAIL and developed understanding of providing

information that is easily accessible, retrievable and well documented Apart from the in-house faculty members-

Dr. Garima Dadhich and Ms. Divya Banerjee; the participants were enlightened by two of the veterans from the field of Social Responsibility : Mr.Debadideb Dutta and Mr. Shankar Venkateswaran. The participants shared their feedback and described the programme to be very engaging and informative.
