GRADUATE INSOLVENCY PROGRAMME:

An Industry Initiative

The Graduate Insolvency Programme (GIP) is the first of its kind programme for those aspiring to take up the discipline of insolvency professional as a career or seeking to take up other roles in the value chain, in India and in foreign jurisdictions. A student who completes the GIP will be eligible for registration as insolvency professional under the Insolvency and Bankruptcy Code 2016, without having to wait to acquire the 10-year experience as required by the Code at present.

For those aspiring to become in-house counsels or serve as advisors to stakeholders in insolvency, liquidation, bankruptcy or turnaround process, the GIP will benefit at entry level and in career growth. The GIP will also be of great value to those who elect to become academics or researchers or work in media houses.

An insolvency professional, serving as a licenced practitioner or in any other capacity, needs not only the domain knowledge but also a range of skills, multiple abilities and extra-ordinary qualities. It also needs a fair degree of appreciation of cultures, social and other factors surrounding an insolvency proceeding. An insolvency professional also has ethical and moral obligations. The GIP offers all that the market expects from a high-quality insolvency professional. A student can also start earning in the second year.

Recognised by the Insolvency and Bankruptcy Board of India and curated by a group comprising eminent economists, insolvency, financial, legal and other experts, GIP is designed to provide exposure to real-time situations and on-ground training. The programme offers opportunities to work with leading insolvency professionals and other stakeholders providing the graduates the skill and experience that will help them to take their career to the next level and increase marketability to employers.
The Insolvency and Bankruptcy Code, 2016 (Code) is a transformational law. It provides a market mechanism for time-bound resolution of insolvencies of corporate persons, partnership firms and individuals. Implementation of such a state-of-the-art insolvency law rests on the shoulders of the professionals, led by an insolvency professional, who steers the processes under the Code as well as guides the stakeholders for arriving at legally compliant and most efficient market outcomes.

An insolvency professional is a key institution of the insolvency regime. He is the beacon of hope for the person in financial distress and its stakeholders. He plays a key role in insolvency proceedings (resolution, liquidation and bankruptcy processes) of financially distressed persons (companies, limited liability partnerships, partnership and proprietorship firms and individuals) under the Code.

An individual is eligible for registration as an insolvency professional if he has ten years of post-membership experience as a Chartered Accountant, Company Secretary, Cost Accountant, or Advocate, or has 15 years of experience in management after bachelor’s degree. However, an individual, who has completed the Graduate Insolvency Programme (GIP) approved by the Insolvency and Bankruptcy Board of India, is also eligible for registration as an insolvency professional. This enables young and bright minds, having a professional qualification or master’s degree in specified subjects, but not having the required experience, to complete the GIP and become an insolvency professional.

The Insolvency and Bankruptcy Board of India has approved the GIP offered by the Indian Institute of Corporate Affairs. The first batch of GIP commenced on 1st July, 2019 with 37 students. The second batch is expected to commence on 1st July, 2020. I am confident that pass outs of GIP would add tremendous value to the insolvency ecosystem and contribute to its further development.
MESSAGE

Over a period of time, the Indian Institute of Corporate Affairs (IICA) has evolved as a blended think tank engaging in policy research, training and academics. We offer a blend of educational excellence and real-world experience and for this we rely on our unique IICA way of learning, which marries excellence with impact. The Graduate Insolvency Program (GIP) is tailor made to empower learners to acquire 10 years of experience in 24 months of the programme. Naturally, the 12 month internship program is a key part of GIP. Moreover, the GIP contains preparatory, specialized and personality development course and participants work closely with insolvency professionals in class as well as during internships.

We look forward to welcoming young graduates to the GIP - one of its own kind in the world.

ABOUT IICA

The Indian Institute of Corporate Affairs established by the Ministry of Corporate Affairs (MCA), Government of India, is a think tank which supports the initiatives of the Ministry on all matters relating to Corporate Affairs. Key activities carried out by IICA include induction and in-service training to Indian Corporate Law Service (ICLS) officers, capacity-building and training programmes, public policy advisory functions, public outreach and stakeholder consultations through seminars, conferences and forums. In particular, anticipating corporate needs for better ease of doing business, reviewing corporate laws to meet the challenges of an ever evolving business environment, exploring new paradigms such as investor education, and periodic review of corporate governance norms and best practices are some of the more recent, prominent initiatives spearheaded by the institute. IICA imparts knowledge and training through its network of schools and centers are follows:

**Schools:** School of Corporate Governance & Public Policy (SoCGPP); School of Competition Law & market Regulation (SoCLMR); School of Corporate Law (SoCL) and School of Finance (SoF).

**Centres:** Centre for Micro, Small & Medium Enterprise (MSME); Centre for Business Innovation, Incubation & Skill Development (BIISD); Centre for Institutional Partnerships and Corporate Communications (IPCC), Centre of Excellence for Sustainable Development (CESD), Centre for Insolvency and Bankruptcy, Centre for Independent Directors & National Foundation for Corporate Social Responsibility (NFCSR).

VISION

To function as a holistic, capacity building institution and think-tank for corporate regulation and reform, through synergised knowledge creation and management, global partnerships and real time solutions.
GIP INFRASTRUCTURE
India is in the process of establishing a robust insolvency framework with the enactment of Insolvency and Bankruptcy Code 2016. The Code has made rapid strides in short time and is one of the success stories of recent Indian economic reforms. A first in India, the Centre for Insolvency and Bankruptcy has been set up as an apex point of learning in insolvency through education and training by active stakeholder engagement and participation.

The GIP will be delivered through the Centre and its initiatives.

The Centre will also serve as an apex point of learning on insolvency and related areas, in association with the key stakeholders and institutions where in the Chairs will be headed by eminent experts and thinkers who will lead the thinking and execution by the Centre.

SUMANT BATRA

A Professor of Practice (Adjunct), Shri Sumant Batra is an insolvency lawyer of international repute with over 20 years of experience as practitioner and senior international insolvency and creditors' rights consultant to the World Bank Group, International Monetary Fund, OECD and other developmental institutions, he has worked extensively on policy matters in Africa, Eastern Europe, Middle East and South Asia.

He is the author of Corporate Insolvency – Law & Practice and has authored over 200 papers on insolvency and related subjects. He is President of SIPI – the think tank on Insolvency and is Director of Insolvency Research Foundation.
INSOLVENCY RESEARCH FOUNDATION

Insolvency Research Foundation (IRF) has been established by IICA, in partnership with SIPI, an insolvency think tank, as an independent research centre to serve public good and help in robust policy making based on deep research.

IRF also aims to develop a community in pursuit of scholarship in the field of insolvency. It will seek to strengthen the interaction between government and academics in public policy making. Its activities will lead to emergence of a cadre of scholars and a robust network of academics, scholars and jurists in the area of insolvency.

IRF supports the Centre for Insolvency and Bankruptcy and feeds into the technical content of GIP. The foundation will gather support from the corporate houses for its research and other academic activities through the Corporate Social Responsibility wing of such houses. In past, it has conducted various conferences, workshops and symposiums on the themes of personal insolvency, fresh start process as well as cross disciplinary issues such as interface of tax laws with IBC.

The first of its kind in the world, IRF strives to complement India's aspirations to climb up the Ease of Doing Business ranking.
Institutions of learning are defined by those who teach there. IICA has gathered the best minds in India and from other jurisdictions to deliver the GIP. Together these eminent scholars, judges, thought leaders, practitioners and experts will teach and share their knowledge, learnings and experiences with the GIP students.

PROGRAMME STRUCTURE

DURATION
24 months (96 weeks)*.
- An intensive residential classroom programme of 12 months (48 weeks);
- A hands-on internship programme at the cutting edge of the practice for 12 months (48 weeks)

* Including examination periods and holidays.

RESIDENTIAL CLASS ROOM PROGRAMME

Preparatory Phase
The preparatory phase provides GIP students with a strong base of knowledge that will enable them to adapt to changing conditions including the dynamic insolvency and bankruptcy regime in India. Moreover, the students will be able to appreciate and apply the specialized courses in insolvency and bankruptcy that follow the Preparatory phase.

Specialisation Phase
The Specialization subjects would impart a deep understanding of the Code and its evolution, along with the legal framework within which insolvency professionals are required to operate. This will empower GIP students to “hit the ground running” for their internships. The IPs gain as much practical experience as possible and would make the students employable in any sphere of the insolvency ecosystem, and fulfill a key objective of the Code: 'producing a cadre of top-quality IPs who can deliver world-class services as resolution professionals, liquidators, or in other capacities...'.

Personality Development
The Personality Development phase focuses on developing all-round personality of the students. Some of the topics covered are, Leadership, Problem Solver: Data Analysis, Consensus Building and Negotiation, Communication / Writing Skills, Grooming / Persona / Gravitas, Thought Leadership, Emotional Intelligence, Self-Management, Time Management, Dealing with Stakeholders, Ethics and managing moral dilemmas and Assessment and readiness for internship.

EARN AS YOU LEARN

The students will start earning as they enter into the Internship Phase. Some students might be selected as Research Assistant Fellows and earn from that.
The GIP will produce a cadre of top-quality insolvency professionals who can deliver world-class services as resolution professionals, liquidators or in other capacities in the value chain of insolvency services. The leading insolvency professional entities, law firms, advisory firms, banks and other institutions, including those located out of India, will compete to hire the graduating students. The GIP is an investment that would bring the graduating students returns by way of their placements and challenging career opportunities.

Campus recruitment is one of the most widely used measures to hire fresh graduates each year. Be it a large multinational corporation or a new age start-up, campus recruitment definitely forms one of the largest bulk recruitment exercises for every organization. IICA plans to invite a large number advisory and law firms, corporations and other institutions to visit the campus to recruit final year students for their entry level positions.

IICA is well equipped with necessary facilities - the state of the art, air-conditioned classrooms/auditorium equipped with multimedia and audio-visual equipment, boardroom for group discussions, and rooms for conducting personal interviews. Any specific arrangements etc. shall be done by IICA.
